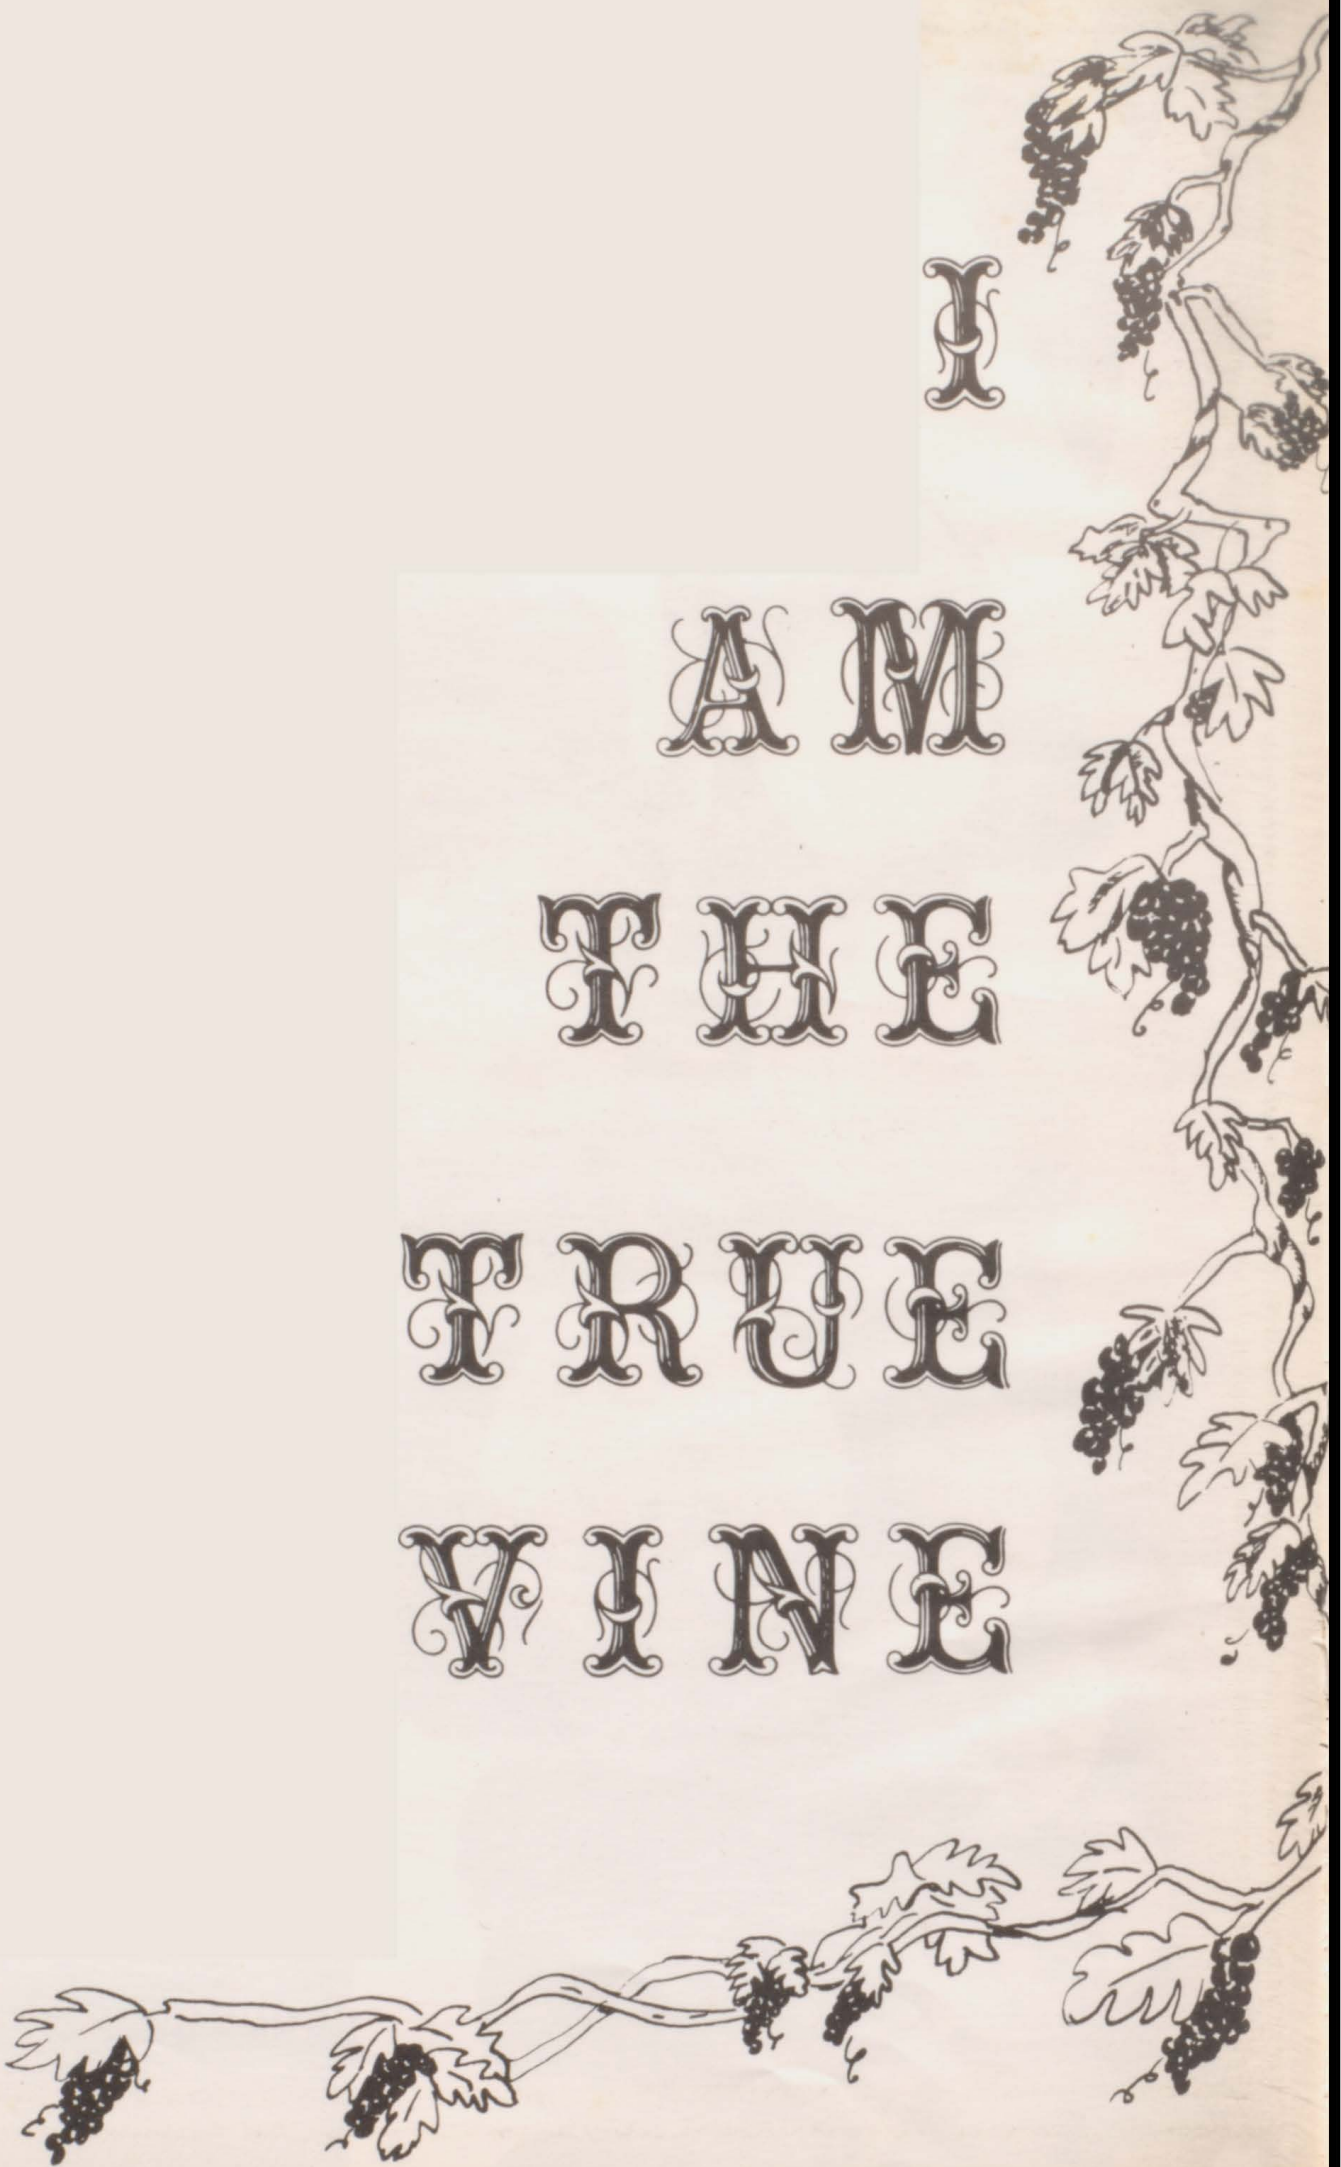
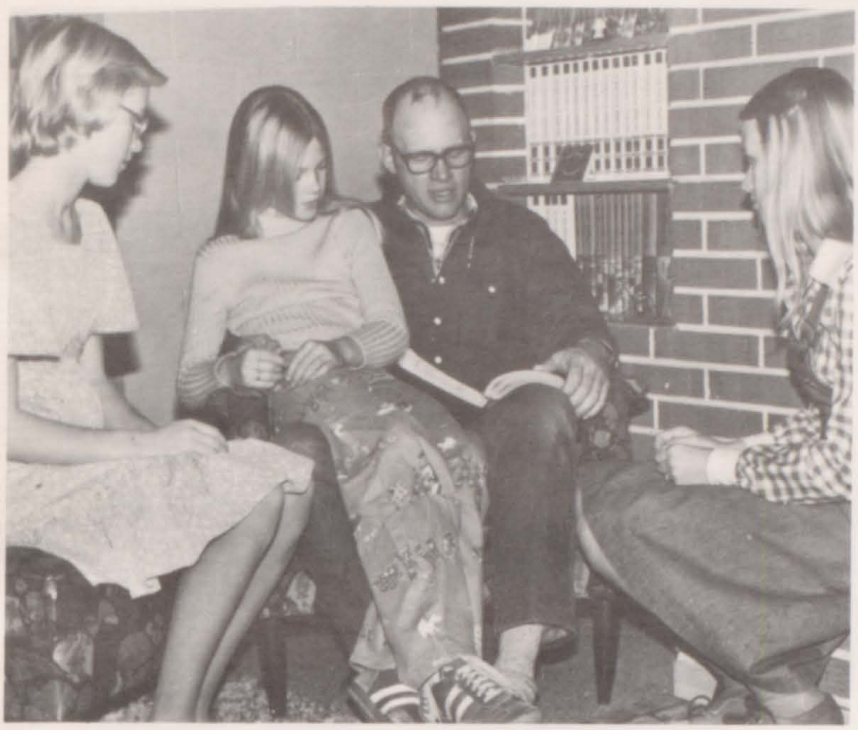
I AM THE TRUE VINE



JOHN 15

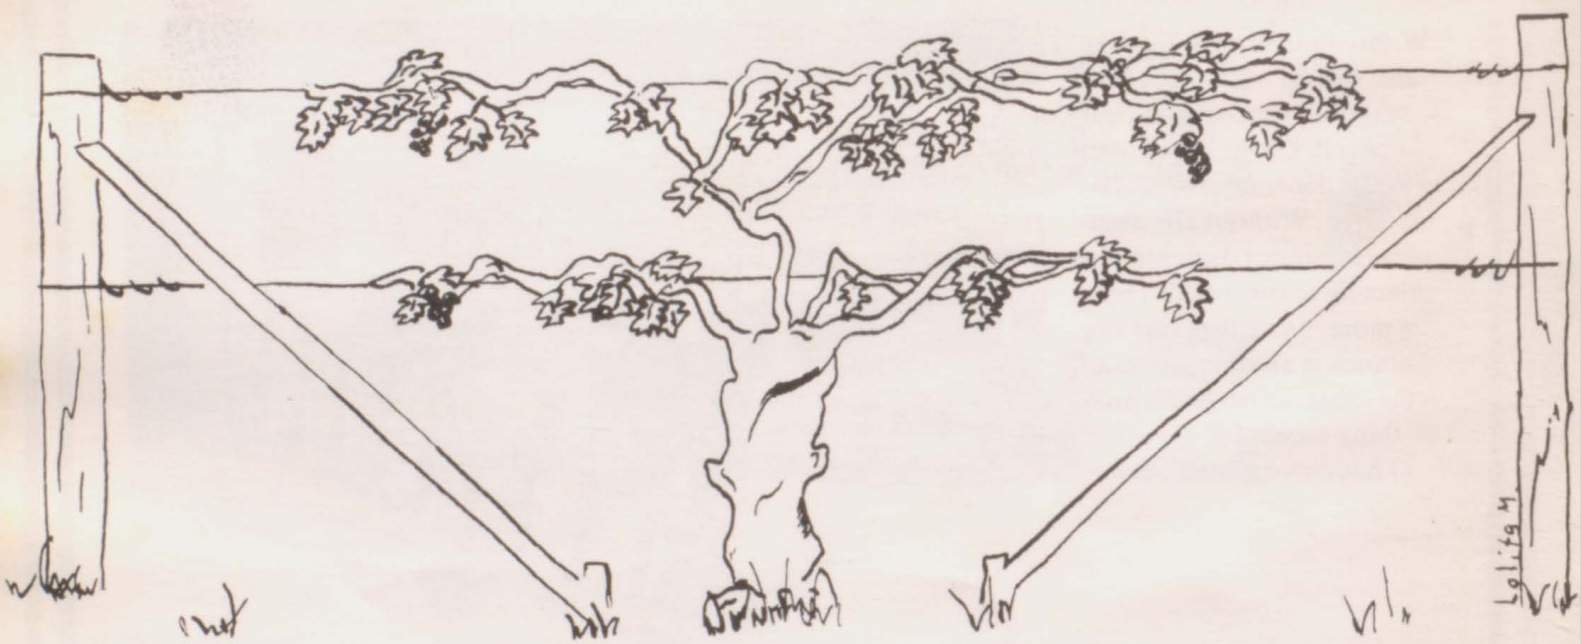
The vine is a parent and a servant to the branches as Christ is to His children, the Christians.

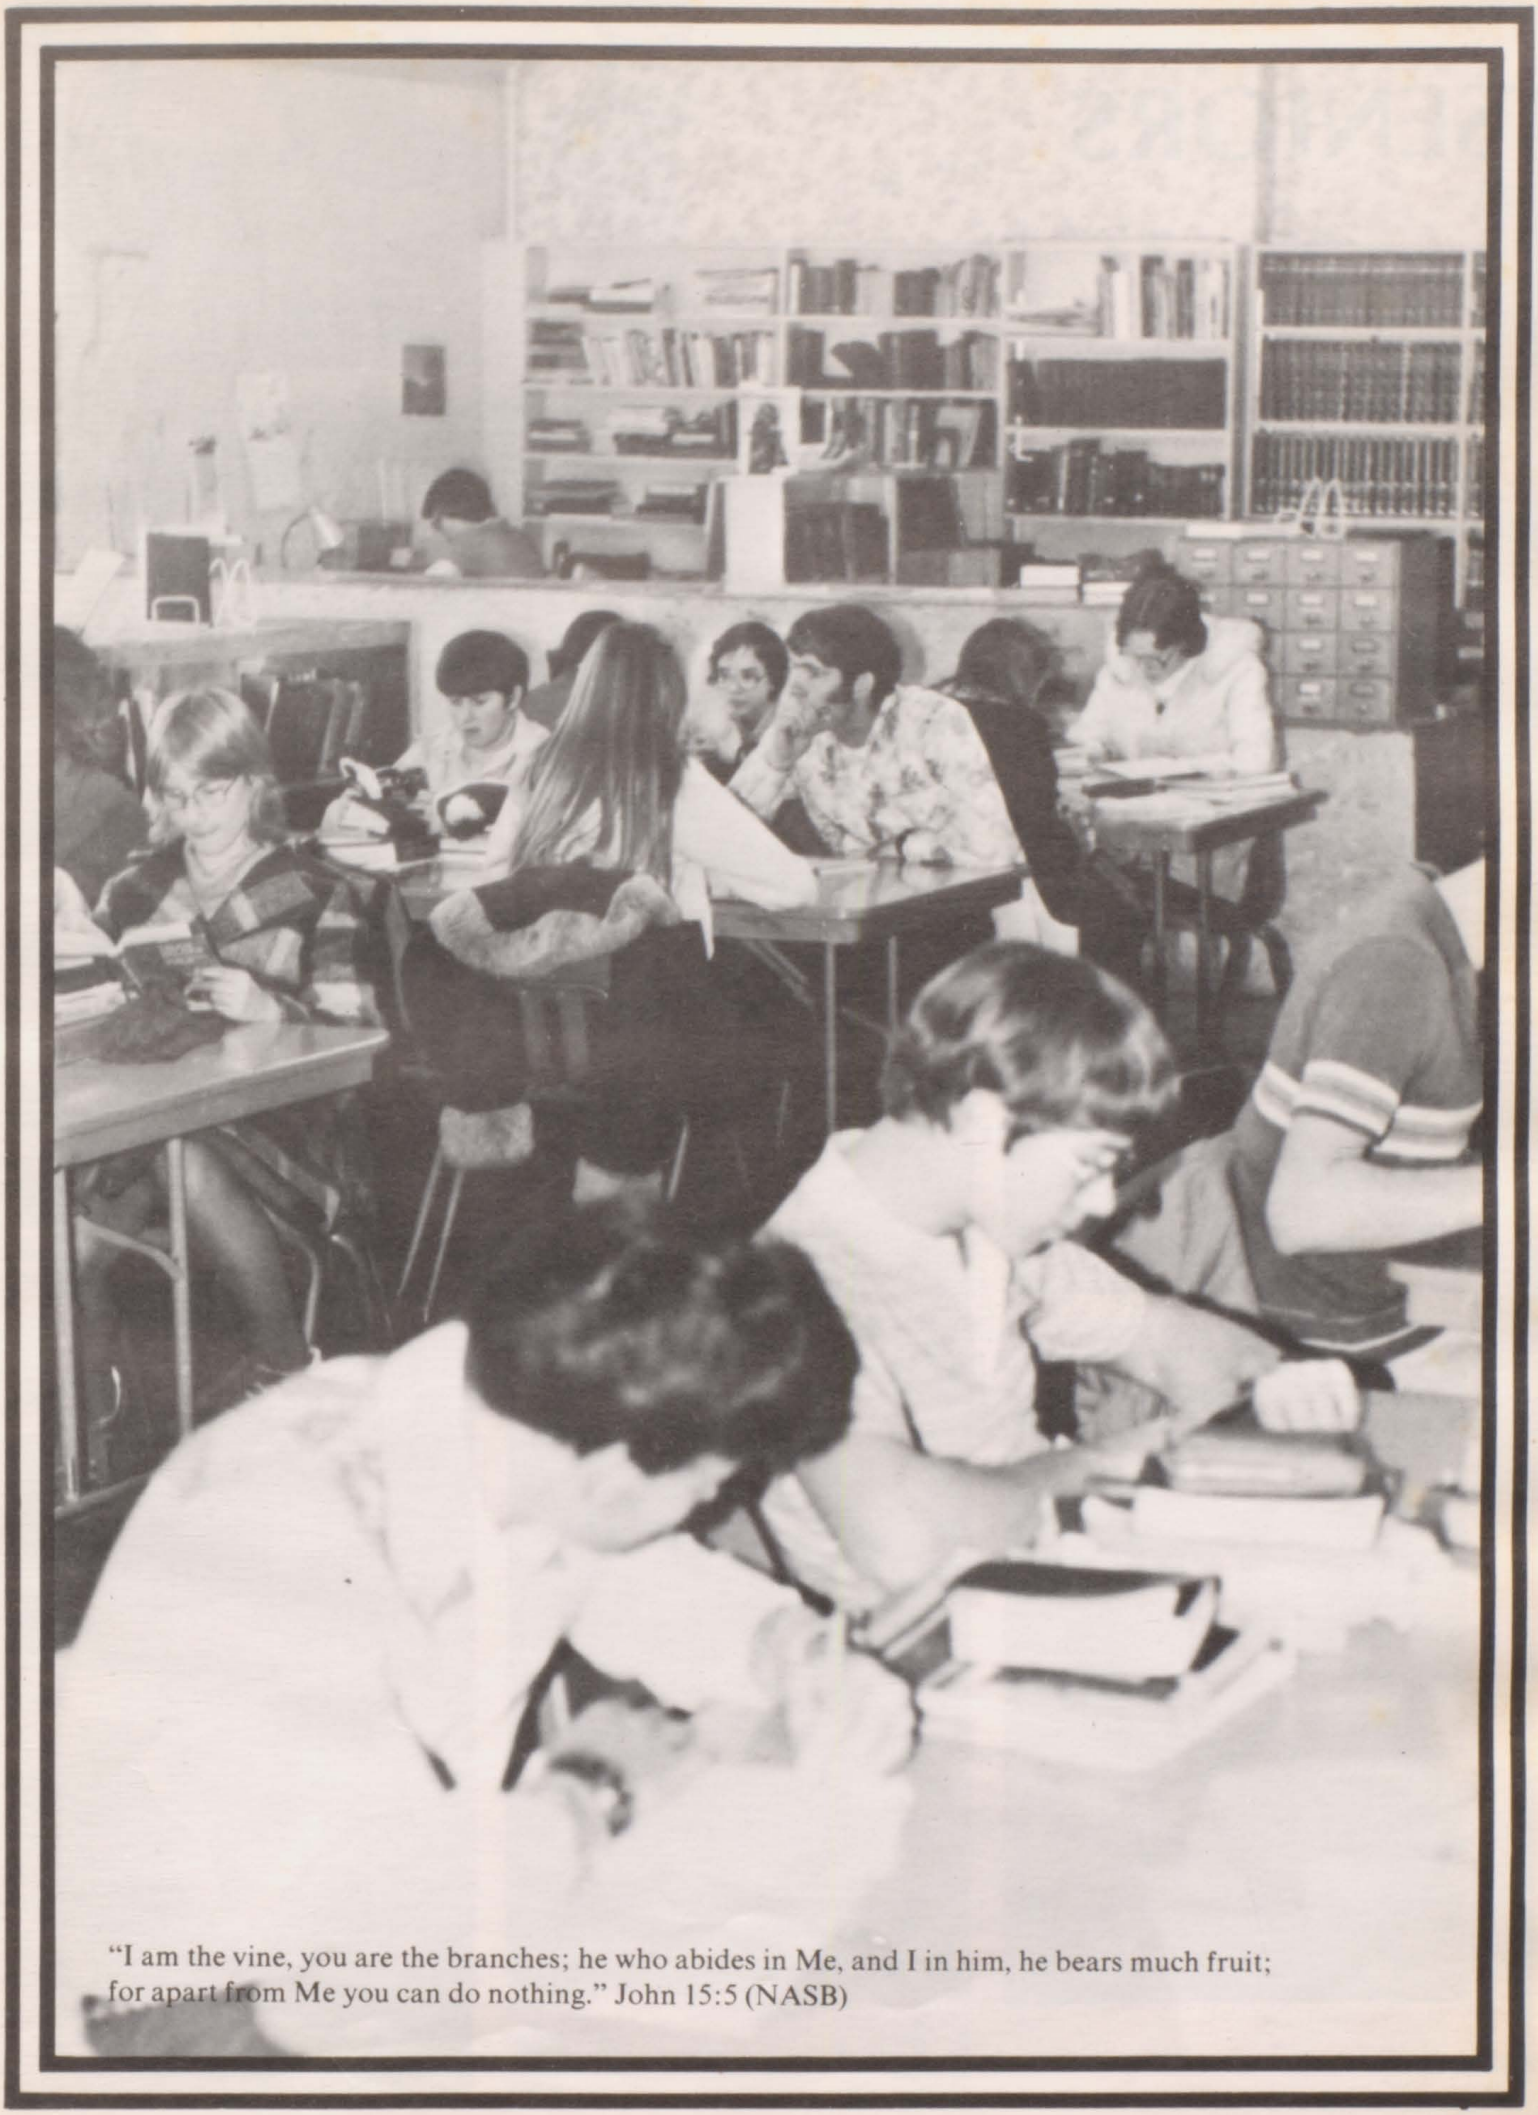


The parable of the vine and the branches teaches us the *completeness* of the union. So close is the union between the vine and the branch, that each is nothing without the other, that each is wholly and only for the other.

Without the branch the vine also can do nothing. A vine without branches can bear no fruit. Christ has chosen to be dependent upon His children. Without His disciples He cannot dispense His blessing to the world. There is more: as neither vine nor branch is anything without the other, so neither is anything except for the other. (Thoughts on John 15:1-5)

BRANCHES





"I am the vine, you are the branches; he who abides in Me, and I in him, he bears much fruit; for apart from Me you can do nothing." John 15:5 (NASB)

Throughout this book you have seen the people and some of the teachings here at Nebraska Christian High School. Christ compares Himself in John 15 to the vine, saying, "I am the true vine." He then compares His followers, the Christians, to the branches of a vine by saying, "You are the branches." Now, we would like to tell you more about the relationship between the vine, its branches, and especially the fruit that it bears.

Fruit is the produce of the branch by which men are refreshed and nourished. The fruit is not for the branch, but for those who come to carry it away. A fruitbearing tree lives not for itself, but wholly for those to whom its fruit brings refreshment and life. And so the branch exists only and entirely for the sake of the fruit. To make glad the heart of the husbandman is its object, its safety, and its glory.

What a beautiful image of the believer abiding in Christ! He not only grows in strength, the union with the Vine becoming ever surer and firmer, he also bears fruit, yea, much fruit. He has the power to offer that to others of which they can eat and live. As surely as the branch abiding in a fruitful vine bears fruit, so surely, yea, *much more surely*, will a soul abiding in Christ with His fulness of blessing be made a blessing.

If Christ, the heavenly Vine, has taken the believer as a branch, then He has pledged Himself, in the very nature of things, to supply the sap and spirit and nourishment to make it bring forth fruit. Jesus said, "From me is thy fruit found." The soul need but have one care — to abide closely, fully, wholly. He will give the fruit. He works all that is needed to make the believer a blessing. The very Spirit of the vine is love and the spirit of love streams into the branch that abides in Him. "But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law." (Gal. 5:22-23, NASB)

The secret of abiding in Christ is the deep conviction that we are nothing and He is everything. The believer who yields himself wholly up to Christ for service in the spirit of a simple, childlike trust, will assuredly bring forth much fruit. Abiding in Christ, he has yielded assent to the blessed agreement between the Vine and the branches, that of the fruit all the glory shall be to the husbandman, the blessed Father.

Let us learn two lessons. If we are abiding in Jesus, let us begin to work. We must first seek to influence those around us in daily life and accept distinctly and joyfully our holy calling, that we are even now to live as the servants of the love of Jesus to our fellow-men. Our daily life must have for its object the making of an impression favorable to Jesus. When you look at the branch, you see at once the likeness to the Vine. We must live so that somewhat of the holiness and gentleness of Jesus may shine out in us. There is work in a hundred different paths which the Spirit of Christ opens up through those who allow themselves to be led by Him. There is work perhaps for us in ways that have not yet been opened up by others.

Secondly, if you work, abide in Christ. This is one of the blessings of work if done in the right spirit — it will deepen your union with your blessed Lord. It will discover your weakness, and throw you back on His strength. It will stir you to much prayer; and in prayer for others is the time when the soul, forgetful of itself, unconsciously grows deeper into Christ. It will make clearer to you the true nature of branch-life; its absolute dependence, and at the same time its glorious sufficiency — independent of all else, because dependent on Jesus. To be a branch bearing much fruit, — nothing less, nothing more, — be this our only joy.

For many of these thoughts we give credit to Andrew Murray and his work, *Abide in Christ.*

THE SAME BRINGETH FORTH MUCH FRUIT

Congratulations

To the Staff and Students at
Nebraska Christian High School

Best wishes to the graduating seniors as
you move forward on the pathway of life.

"Have two goals: wisdom — that is, knowing and
doing right — and common sense." Prov. 3:21 (Living Bible)

from the management and staff at Rowse Hydraulic Rakes Co., Inc.

Burwell, Nebr.

The Real Hay Makers From Rowse

New "Quick-Attach" trailing double mower with tough, balanced head drive and 40% stronger cutter bars.

1

1. Choice of 7′ or 9′ cutter bars lets you mow 14′ to 18′ per swath. Your hay cures quicker and more uniformly.

2. Mower is switched easily and quickly to transport position behind tractor . . . or pull it with your pickup.

Hydraulic rakes have gained a top quality reputation for Rowse throughout range country. Some rakes have already covered 50,000 acres and more.

3. Choice of eight rakes sizes in two or three section models, with available widths from 16′ to 42′. Positive hydraulic action gives you precise control of windrow size.

4. Convenient transport position so you can move your Rowse rake easily from field to field. For longer distances, it pulls easily behind a pickup at near highway speed.

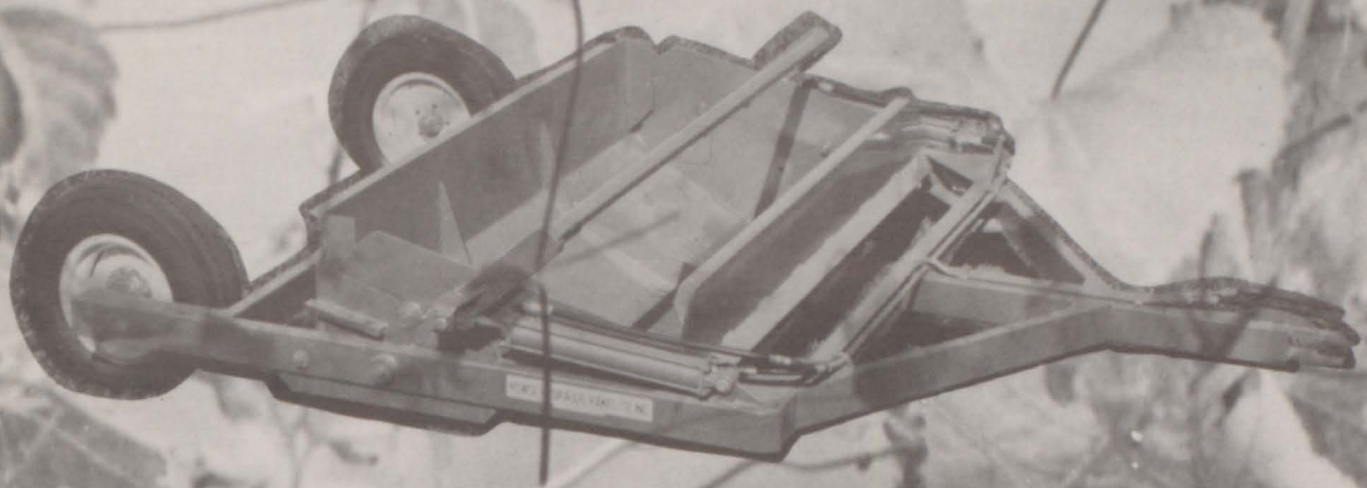
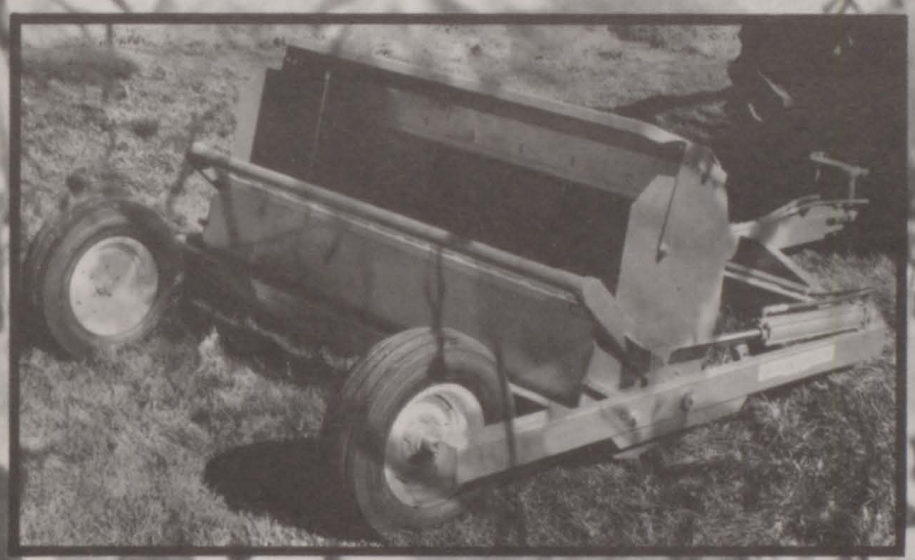
The Handy Earthmovers From Rowse

One of the handiest machines you will own. Shape up terraces, dig a pit silo, clean out corrals, fill in along a bunk, smooth out your driveway . . . you can do it all with the Rowse hydraulic scraper. The 8′ cutting width (wider than most rear tractor treads) allows you to snug right up to a fence or a foundation. You can even hook two of these scrapers in tandem for double the earth-moving capacity.



A 60 HP tractor provides plenty of power in most soils, yet the Rowse scraper hauls a full three yards per load.



You have full hydraulic control, with just one double-acting control valve on the tractor platform. Adjust cutting depth and dumping with just a touch of the hydraulic lever. The grader-type steel blade is removable for sharpening or replacement.

The Rowse label stands for reliability.
